DESKOS SOVEREIGN OPERATING SYSTEM — 7-BUSINESS-DAY WET-INK SALES & LICENSE AGREEMENT

Licensor: STPi Sovereign Cloud / DeskOS Command (`concierge@getstpi.com`)
Client Firm: Al-Masar Infrastructure & ESG Advisory (Amman, JO)
DeskOS Unit ID: `deskos-jo-al-masar-infrastructure--dbb9d86a` • **Pillar:** Pillar 3 — Donor-Funded NGO Implementing Partners, ESG & Engineering Tender Consultancies
Execution Window: Valid for **Seven (7) Business Days** from issuance date.

1. SCOPE OF SOVEREIGN DESKOS DELIVERABLES

Licensor grants Client a non-exclusive operational license to use the pre-populated 6-WorkCell **DeskOS (DeskoS)** unit (`wC01_Live_Radar` through `wC06_Command_Upgrade_Gate`) together with its attached autonomous **Autons** (`RadarAuton`, `KeyGateAuton`, `DispatchAuton`, `InstrumentAuton`, `VaultAuton`, `UpgradeAuton`) and the 6 permanent industry instruments in `wCell 03`.

2. QUOTA SOVEREIGNTY, DEAD-SHEET SWITCH & BYOK DEFAULT

Days 1 and 2 of intelligence arrive pre-processed alongside Client's own data in `wCell 04`. Daily Day 3+ raw intelligence is streamed when Client flips the Dead-Sheet Switch (`wC01-B2`) to `ON` and is processed on Client's own Google + BYOK LLM quotas via `wCell 05`.

3. COMMERCIAL TIERS & WHOP LICENSE KEY ACTIVATION

• **Starter BYOK Tier ($0):** Permanent access to all 6 WorkCells, 6 Autons, and `wCell 03` calculators on Client's BYOK quotas.
• **Sovereign Pro Tier ($49/mo USD or R850/mo ZAR):** Unlocks masked Pro decision-maker contacts & full dossiers in `wCell 01` via a cryptographically signed `STP1.PRO.*` key in `wCell 06-B4`.
• **Sovereign Studio Tier ($149/mo USD or R2,650/mo ZAR):** Multi-partner syndicate license for up to 10 partner mailboxes plus custom registry/corridor watchers.

4. MANDATORY 7-BUSINESS-DAY EXECUTION & "CONTACT US FIRST" RESOLUTION POLICY

This agreement must be executed via wet-ink signature (print, sign in ink, scan, and return to `concierge@getstpi.com`) or activated via Whop checkout within **7 Business Days**. Client agrees to contact Licensor first at `concierge@getstpi.com` before initiating any external billing dispute; breach of this clause triggers immediate `STP1` license revocation and permanent removal.
